北美华人营养学会 *Nutrition for a Healthy Life*

The Second North America Chinese Society for Nutrition (NACSN) Summit (2020)

Call for Abstract

American Society for Nutrition (ASN) has announced that Nutrition 2020 will be held at Washington State Convention Center from May 30 to June 3, 2019 in Seattle, Washington. Seattle is a beautiful Pacific Northwest city with attractions. Nutrition scientist around world will attend and present their most advanced progresses. This is a great opportunity for scientists conducting research in nutrition, bioactive ingredients and food sciences to meet their peers and exchange ideas for the future success.

To better serve Chinese American Nutrition community and global Chinese scientists, the NACSN leadership team (2019-2020) has decided to organize a one-day summit prior to the Nutrition 2020 in the same city. This event allows NACSN members and Chinese nutritionists to take a preview of their exciting research work. It is also a great platform for graduate students, postdocs and junior faculty members to present their works and further advance their research career and networking.
